What We Heard

High interest
in a one-
stop resource

Mobile first
for caregivers
with limited
internet

Findhelp
can be
hard to
navigate

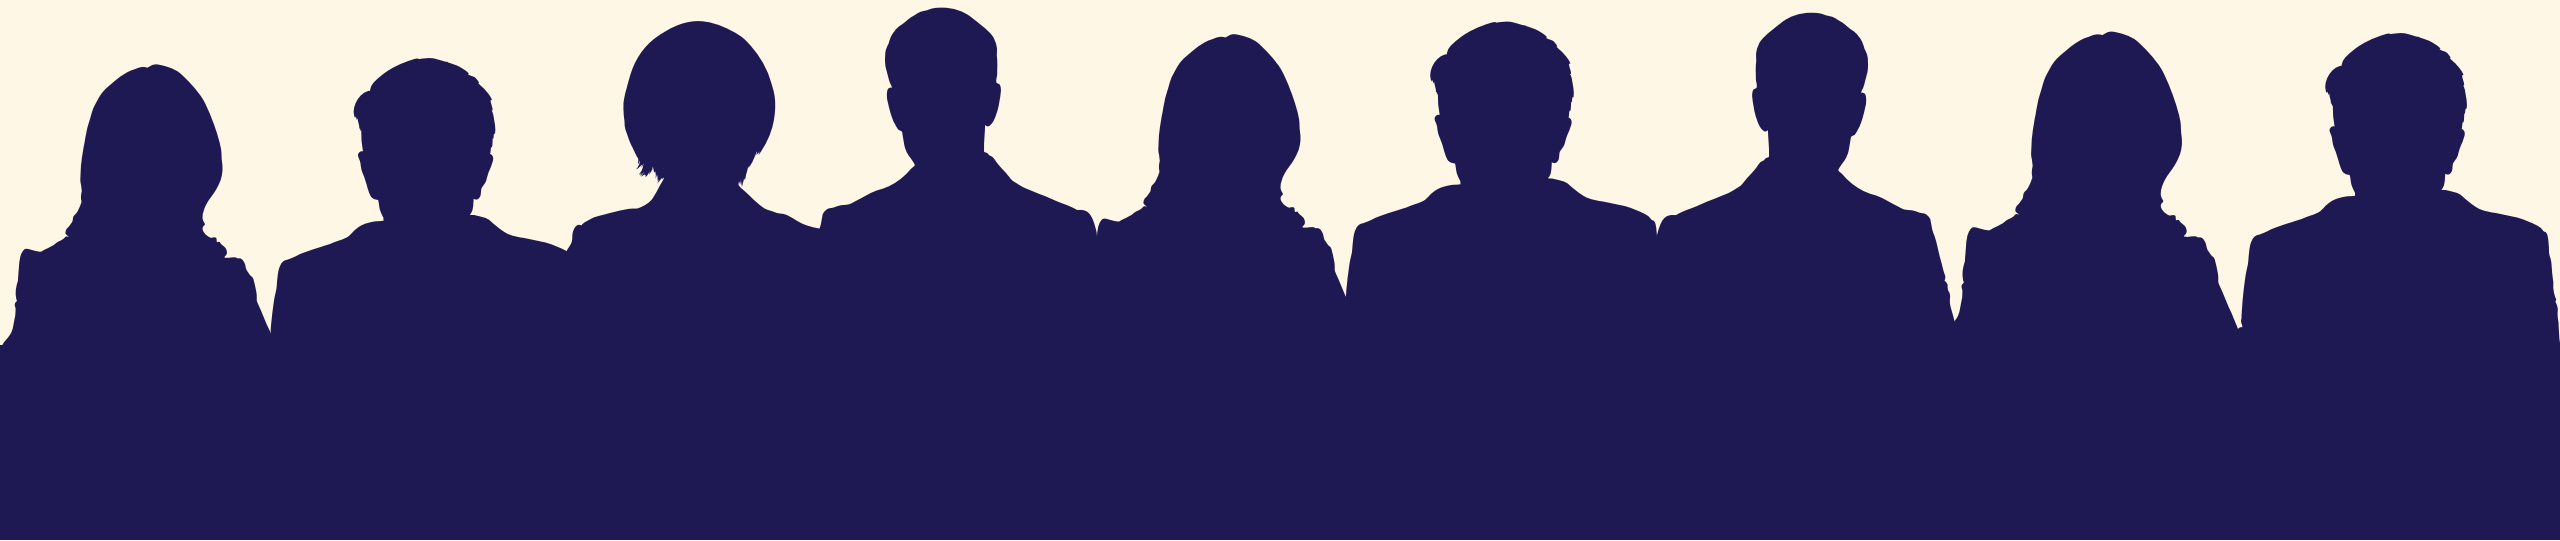

Broad range
of topics for
different
families and
ages

Whole
family
needs

Space for
parents to
hear from
each other

Proactive
parents,
even in
crisis

Gaps in
reliable
family
information

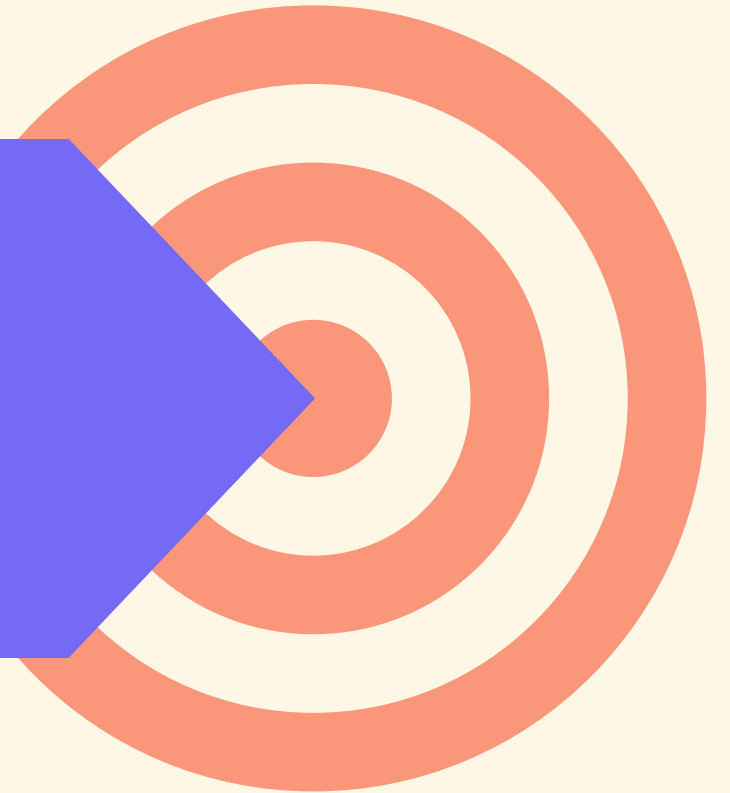

Content and Tone

Supportive, understanding and offer the hope—even joy—of assistance.

Helping parents at every stage of their parenting journey

In whatever way they define help: services, knowledge, peer support, inspiration

SC Parents

You've got this.

And SC Parents is here to help.

Parents Helping Parents

Join The Conversation

- **Ask a Question** – We field tons of question from parents just like you. Drop your question here and our staff will try to help you find an answer.
- **Drop Some Advice** – Have a great parenting hack? Learned some lessons the hard way? Share that knowledge.
- **Share Your Story** – Parenting is hard and rewarding! We love hearing from “real life” parents out in the trenches.

Encourage Parent Contributors

We are looking for parents who are willing to answer questions and share what they have learned and how they have grown through their parenting journeys.

How can providers
use this resource?

What can providers do?

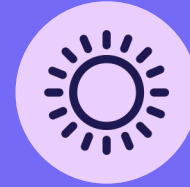

Connect

Connect to parents and become a SC Parents Resource. Claim your program and use the tools.

Grow

Grow your outreach by submitting your events, classes and programs.

Hope

Build hope for your families by sharing your expertise and real-life takes on how to survive parenting.

Share your expertise and
personal parenting stories

Submit an Event

Event submission guidelines

- Build community, family engagement and positive parenting
- Available virtually or in-person to the general public
- Include registration cost, if applicable

Connecting Families to Resources

What is findhelp?

- Online directory of free or reduced-cost services
- Electronic referral tool
- Free to those looking for help
- Free to nonprofits to manage their programs
- Translates into 100 different languages
