MS, RN**

The speakers and planning committee members for this conference have disclosed that they do not have relevant financial relationships with commercial interests and does not anticipate discussing unlabeled uses of any commercial products or any investigational products.

Faith Community Nursing

Faith Community Nursing (FCN) is the specialized practice of professional nursing that focuses on the intentional care of the spirit as a part of the process of promoting whole-person health and preventing or minimizing illness in a faith community and the wider community.

This Foundations of Faith Community Nursing course is based on the curriculum developed through the Westberg Institute for Faith Community Nursing, which curriculum is owned by Church Health Center of Memphis, Inc., 1350 Concourse Ave., Suite 142, Memphis, TN 38104.

Continuing Education

South Carolina Faith Community Nurses Association is joint providing this activity with the South Carolina Nurses Association.

South Carolina Nurses Association is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

NCPD/CNE Credit Requirement:

To receive contact hours, you must complete each Module of the course.

Number of NCPD Contact Hours 36.5
